Mabel Katz Receives Knighthood

Author, speaker and transformational seminar leader Mabel Katz has been recognized for her humanitarian efforts.

For years, Mabel Katz has done outstanding work in support of children and world peace. All of her endeavors, including those when she operated a business consulting with companies large and small, and hosting her popular Los Angeles radio and television shows, were founded on the principles of service and helping others. Now her good works have been acknowledged by the venerable Order of the Orthodox Knights Hospitaller of St. John – Russian Grand Priory.

The organization bestowing this high honor is believed to be the oldest historical, hereditary humanitarian Order of the Knights Hospitaller. The founders of the Order started the world's first hospitals for service to humanity, regardless of caste, creed or ability to pay. Those who have been knighted in recent times include heads of state, scientists, doctors, Nobel Laureates, religious figures, and others whose humanitarian works have made a difference in our world.

Katz is the recipient of numerous other national and international awards and honors including the 2012 Milenious de Paz Peace Flag, honoring her world-peace initiative, Peace within IS world peace, and officially recognizing her as one of the world's pre-eminent Peace Ambassadors. She has addressed national senates and other influential government bodies and presented at the United Nations. She has spoken to multi-cultural audiences, including those of diverse ethnicities in the Middle East. She has authored several books, including an inspirational children's book, and her works have been published in English, Spanish, Korean, Portuguese, Swedish, German, French, Russian, Chinese, Italian, Czech, Hebrew, Japanese, Croatian, Hungarian, Polish and Romanian.

She has also received numerous awards, letters and certificates of appreciation from the children's hospitals she visits sharing her deep knowledge of the ancient Hawaiian art and science of Ho'oponopono (The Easiest Way).

Mabel maintains a busy global speaking and seminar schedule. She presents her Zero Frequency® and Ho'oponopono seminars to individuals, executives and corporations throughout Europe and Eastern Europe, China, and Central and South America as well as across the United States and Canada.
